STAGE HANDS AND ASSISTANTS

Stage 1 – 4 – figures and grades

Stage 5 – figures, FEW champ comps, then grades

Stage 6 – figures, prelim/open

Stage 7 – figures, prelim/open

Alan will provide competitor lists with any specific instructions for all figures and grades. Check off kids as they check in. This will be in a bound notebook at your stage. **Please pull the competitor list when comp complete and send with results.** Look for Alan's instructions for each comp – slow vs fast speed etc. Everyone has worked a stage. Please keep stages and comps moving. Check in next comp before current comp over. Walkie talkie to Mr. McHugh what comp you are checking in. Start comp immediately once adjudicator finishes tallying previous comp results. Main person in charge of stage is highlighted in green. Questions call Nora or myself. Use walkie talkie to keep stage moving so everything can be announced. **Stages 1-4 are only big enough to dance two at a time (THERE IS NO DANCING THREE AT A TIME ON THESE STAGES REGARDLESS OF AGES). Stage 5 and 6 big enough to dance 3 at a time in grades and champs both soft shoe and hard shoe. It's an NAFC rule if anyone asks.** Runners will be around to collect your completed marks. If you are on a champ stage, when done bring them to tabulation room in back hallway.

PLEASE REMEMBER, TREBLE JIG AND HORNPIPE IN NOVICE AND PRIZEWINNER HAVE CHOICE OF SLOW OR FAST SPEED. ADVANCED BEGINNER IS FAST FOR BOTH TREBLE JIG AND HORNPIPE.

Please arrive at your stage at 7:45-8:00. Start checking dancers in at that time. Have competition lined up and ready to go at 8:30. Do not wait until judges arrive. Keep competitions moving – we have lots and lots of dancers. Questions – Eileen Paulson's cell 302-547-2538, Nora's cell 302-893-6498.
